

# ENROLLMENT/RATES

---

## ADMISSION & TUITION

To enroll your child, you must obtain an application and meet with our Administrative Staff. During this meeting, you will be required to pay a yearly non-refundable registration fee and return the following completed forms.

- Tuition Contract
- Certificate of Health & Immunization
- Emergency Notification Card
- Childs Personal Record

Tuition payments are due each Monday (or the first day of attendance) for the current week. Tuition is expected every week that the child is enrolled, regardless of, but not limited to, absences for sickness, unearned vacation, or inclement weather. Tuition is due regardless of whether or not your child attended that week (unless excused for an earned vacation week). Your Children First offers a 10% sibling discount on the lowest tuition for full and half-time students. Students earn one credit week "vacation time" after one year of attendance.
